**Re: Summit Drive / 8 lot subdivision**

**Planning Board Discussion**

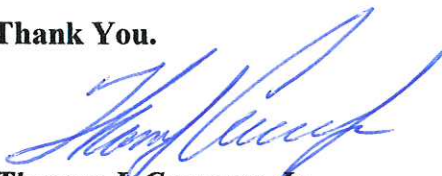

**This letter is to verify that the building department Inspector has received a request to reviewed 8 Lot Subdivision in the R District :**

    XX     : **The application can sit with the Town of Marlborough Planning Board for discussion :**

**8 Lot subdivision off town road will require town road extension since there is more then 4 lots created. Sewer and water extensions also need to be looked at so the density of the lots are conforming to Schedule 1 of town code.**

**Any questions or concerns please do not hesitate t to contact me.**

**Thank You.**
