*In regards to the Gallela Summit Drive Properties, Application Number 21-5011, SBL 108.4 – 6 – 29.311.*

*As requested, I have reviewed the map of the proposed subdivision. The existing Summit Drive cul-de-sac would need to be abandoned. We will only be responsible for maintaining a width of 20 feet of the roadway connecting to the new subdivision. The remaining cul-de-sac area will then have to be turned over to the property owners.*

*As far as the new subdivision, the driveways on Lots 4 and 5 would have to be moved to the opposite side of each of these new buildings. This will then give us a required designated area for the plowed snow during the winter season.*

Thank you,
