### **FOR IMMEDIATE RELEASE**

ALBANY, NY, 07/27/22 — Town of Marlborough is one of this year's [Preserve New York](#) (PNY) grantees. Their **grant of \$10,000** will fund a second phase of town wide Cultural Resource Inventory focusing on the area of the town outside of the hamlets of Milton and Marlboro. The Preservation League of NYS and their program partners at the New York State Council on the Arts (NYSCA) and the Robert David Lion Gardiner Foundation are thrilled to help fund this important work.

*“This second phase will enable to us complete an inventory for the entire Town of Marlborough. The first phase completed last year focused on the hamlets on Marlboro and Milton. This phase will focus on the rural area of the town.”* said **Project Representative**. *“Supervisor Scott Corcoran.”*

### **PROJECT DESCRIPTION**

At its 2022 meeting, an independent grant panel selected **22 applicants in 18 counties to receive support totaling \$235,920**. Each grant supports important arts and cultural initiatives, as well as economic development related to our state's arts and cultural heritage. Many of these grants will lead to historic district designation or expansion, telling the stories of communities throughout the state and allowing property owners to take advantage of the New York State and Federal Historic Tax Credits. This is even more valuable now, with the NYS Commercial Historic Tax Credit recently expanded for small projects, granting property owners a 30% credit. With the announcement of the 2022 awards, support provided by Preserve New York since its launch in 1993 totals more than \$3.5 million to 510 projects statewide.

The Preserve New York program is a regrant partnership between the New York State Council on the Arts (NYSCA) and the Preservation League, made possible with the support of the Office of the Governor and the New York State Legislature. The Robert David Lion Gardiner Foundation has generously provided additional funds to support nonprofit projects in Nassau and Suffolk Counties.

Since 1993, Preserve New York has been providing funds to municipalities and nonprofit organizations that need technical, professional assistance to guide a variety of preservation projects. The historic structure reports, building condition reports, cultural landscape reports, and cultural resource surveys funded through this program lead to positive outcomes across New York's 62 counties.
